I am just declaring my candidacy for United States Senator from Washington State for 2022. I would like full Secret Service protection. I am not affiliated with any party, so I need as many advisors and resources as I am allowed to get from the government. I have not put together a committee yet, so I just put a name and my address. Terrorists are vibrating my body with subwoofers and wireless frequencies trying to get me to give up my ambition to be US Senator.
